

Tested

& Proven Lethal

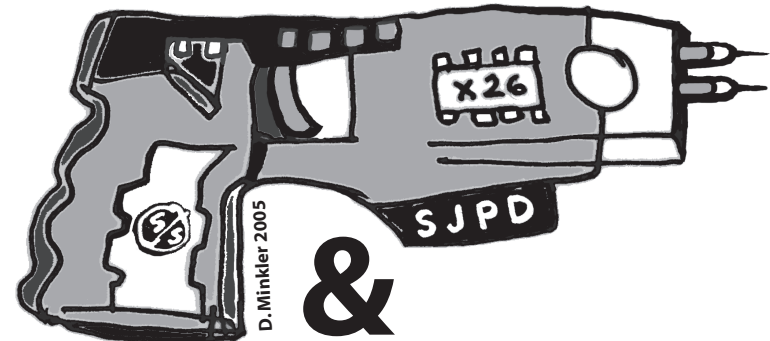

To date more than 100 citizens
have died after being tasered.

Ban Tasers

Bait

& Switch

Tasers were sold to the public as a device that
would be used as a alternative to deadly force. In
fact, according to Amnesty International, tasers
have been used eighty percent of the time on
unarmed citizens. Thirty six percent of the time
tasers are used simply for "verbal noncompliance"
