DESTINY - Sound Sculptress

Known as the "Harpist from the Hood", Destiny writes classical crossover and modern recordings for vocals and harp. Her performances include: a concert with Jazz Trumpeter Eddie Gayle; a concert collaboration of the compositions of John Coltrane and Elvin Jones at Yoshis Jazz & Supper Club; ESSENCE Magazine's "Women Who Are Shaping the World Leadership Summit", and the Monterey Jazz Festival.

RISE UP FOR OBAMA is comprised of a diverse group of individuals who are working to help get Senator Barack Obama elected to the White House in 2008. We invite you to participate in this historic social change movement to take Democracy back into the hands of the People. **Supporting this event is one way of doing just that.**

RISE UP FOR OBAMA and DESTINY are collaborating to provide an afternoon of beautiful live music, politics & food. Meet some incredible people, too!

A Silent Auction and raffle prizes are part of this event to raise money for the OBAMA FOR AMERICA campaign.
