**Embarcadero Station
Thursday, April 8th 2010
4:00-6:00 pm**

Due to a scheduled protest against BART's response to the murder of Oscar Grant, Embarcadero station may be closed during evening rush hours. We encourage you to make alternate travel arrangements if you were planning to ride BART at this time.

Protesters demand that BART Police Officer Tony Pirone, who assaulted Oscar Grant while calling him a "Bitch-ass Ni**er", be fired and criminally charged for his role in the murder. They also demand that BART's troubled police force be disbanded, because the Board of Directors and General Manager have proven that they cannot ensure responsible behavior or passenger safety.
