

**COPS RALLY

**LIAR &
KILLER**

TASER

weight: ~2 lbs

weight: <1/2 lb

Mehserle pulled his taser and pointed it at Oscar Grant, as shown in this photo taken by Oscar Grant himself. Mehserle reholstered his taser. Less than a minute later, Mehserle pulled his gun to shoot Oscar Grant in the back. In his trial, he claimed he couldn't tell the two apart. Who you gonna believe, him or your lying eyes?
