

March Against Police Murder

On the Streets, In the Jails
Saturday, October 23rd, Rally 12 Noon,
10th and J Street, March 1pm, Modesto

In September, police and Sheriff's Department murdered Francisco Moran in East Modesto, and Rita Elias, in West Modesto. In the last year, six people have died in the local County Jail. How many more will be murdered under the guns and tasers of the police until we stand up and fight back? Rally and march to demand an end to police violence in the Modesto area. Bring signs, noise, and friends!

Rebolt on the Inside - Rebolt on the Outside!
