

STAND UP FOR BODY FREEDOM!

ARTIST, NUDISTS AND ALL FREE SPIRITS!

We are about to lose our right to be nude in San Francisco without getting arrested and fined. Supervisor Scott Wiener has submitted legislation to the Board of Supervisors that would criminalize nudity in our city. Come join us for a protest against this fascist legislation! Stand up for progress! Say NO to the return to the Dark Ages! Say NO to the Wiener Bill! Let's show the Supervisors that we believe in body freedom and that we can make our own decisions about what to wear and how to feel about our bodies.

ARTISTS, please bring your nude art to the protest! Protest is clothing optional (as bare as you dare).
