

## NOTICE OF INTENTION TO CIRCULATE RECALL PETITION

TO THE HONORABLE LIBBY SCHAAF, MAYOR OF OAKLAND, CALIFORNIA. Pursuant to Oakland City Charter, Article XI – Elections, §1104, Referendum and Recall, and California Election Code §11020, the undersigned registered qualified voters of the City of Oakland, County of Alameda, in the State of California, hereby give notice that we are the proponents of a recall petition and that we intend to seek your recall and removal from the Office of Mayor, City of Oakland, California, and to demand election of a successor in that office.

The grounds for this recall are as follows:

The people of Oakland seek to recall Mayor Schaaf for failing to properly perform her executive duties as chief-elected executive of Oakland, willfully violating constitutional rights, and ignoring the City’s most pressing issues: corrupt Oakland Police Department (OPD), housing crisis, disenfranchisement, unemployment, and public safety. Among her dereliction of duties, Mayor Schaaf has:

- Offered no immediate relief to Oakland residents being pushed out of their homes.
- Offered no viable solution to increased violent crime in Oakland.
- Denied youth opportunities by failing to apply for a \$2 million grant to fund youth programs.
- Allowed job centers in East and West Oakland to close.
- Failed to push for meaningful Police Department reform.
- Allowed seven Black Men to be killed under her watch -- one of whom was sleeping in his car – with no accountability for any of the involved officers.
- Violated civil rights of Black Women and Children by violently unleashing the OPD on them during peaceful demonstrations.
- Neglected to properly manage the transition of police leaders after OPD Chief Whent resigned following the nationally publicized sex exploitation scandal.
- Violated Freedom of Speech in directing an investigation of “whistleblowers” of the OPD scandals, proving her campaign promise of “transparency” a farce.

The printed names, signatures, and residence addresses of the proponents are as follows:
