Dear Santa Cruz County Board of Supervisors and addressed parties:

Please inspect the attached document from the Santa Cruz County Counsel's Office. It shows the Santa Cruz County Office of the District Attorney (SCCDA) has prosecuted more than 40 felony cases of (cyber)stalking within the last two years. Yet the SCCDA refuses to prosecute a decade of gang stalking against my sister Patricia Colby and I, first by hate criminals from the Mission Gardens Apartments, then from 2012 by the domestic hate group Take Back Santa Cruz (TBSC). We are being gang stalked on the Internet, by cellphone, and in physical space based upon whistleblowing to the government, homelessness, disability, gender and to retaliate for our advocacy for disabled homeless people.

California Attorney General Xavier Becerra directed me to petition your body for a redress of grievances, specifically to force the SCCDA to force local law enforcement to investigate the gang stalking campaigns against us, then to prosecute them to the fullest extent possible under the law.

If you ignore me or refuse, then you will be protecting a domestic hate group, which could be construed as treason

by the federal government.

I ask for a response to this request ASAP. Either you stand with us, the victims, or with the anti-homeless hate group Take Back Santa Cruz and their protectors in local government.

Reference www.johncohencolby.com and google Colby + Topix + Santa Cruz while you reflect on this. The gang stalking campaigns against us are well-documented (and your body has been privy to much of this documentation).

Sincerely yours,

Dr. John Colby, GGA
